

Palm Oil Transparency Dashboard

Our supply chain

In 2020, we sourced **339 044** tons of palm oil*
*palm oil, palm kernel oil and derivatives

In our **2** refineries in Spain

From **9** direct suppliers

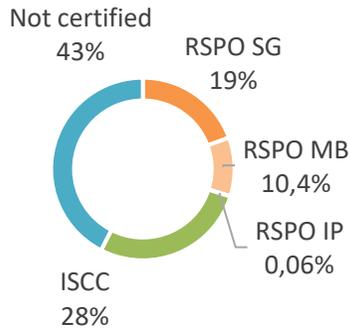

709 Indirect mills with **100%** traceability to mill

We are working towards traceability to plantation

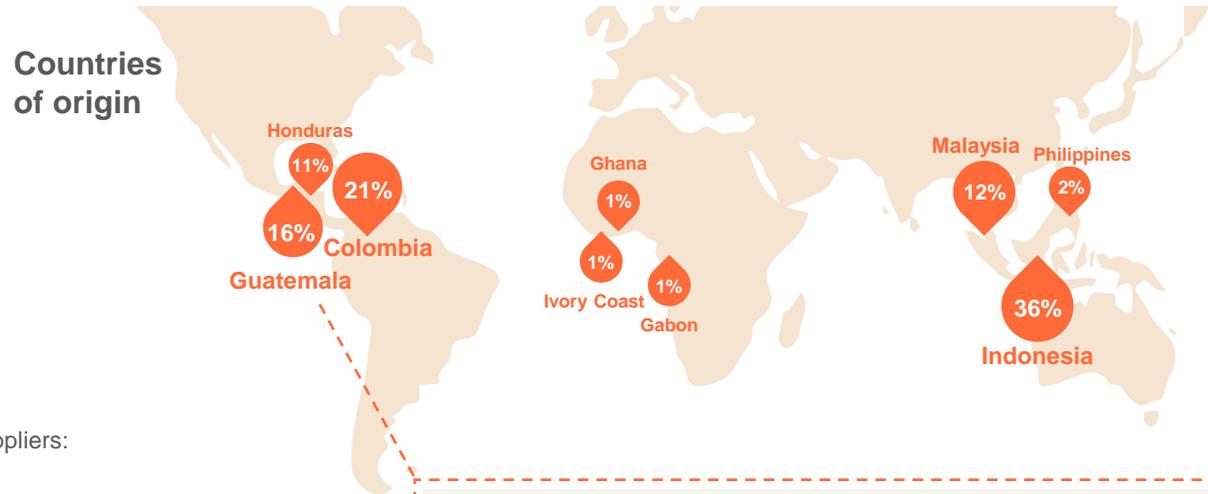

Certification

57,5% of our palm and derivatives products come from certified sources: RSPO and ISCC.

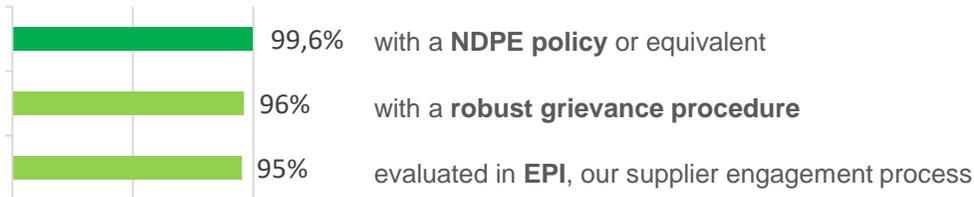

Countries of origin

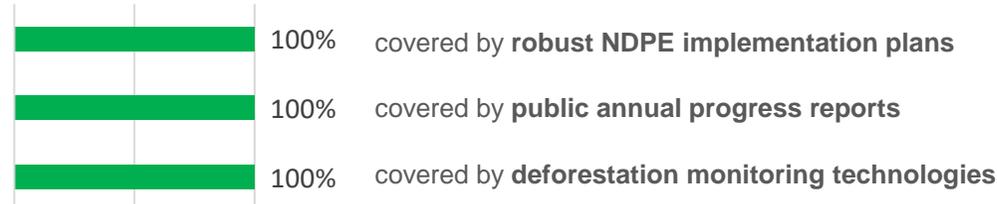

Impact

In 2020, the palm oil we sourced was coming from direct suppliers:

And from the volumes we evaluated in EPI:

Supporting social excellence in Guatemala

In 2020, we supported **industry level engagement** to promote **social performance** in the Guatemalan palm oil sector, through collaboration with **GREPALMA** (the Palm Grower Association of Guatemala), international buyers and Earthworm Foundation. Our main successes in 2020:

- ✓ Strengthening of the **social pillar** of GREPALMA's internal standard
- ✓ Benchmark and participatory risk mapping to **identify priority issues**
- ✓ Development of **an implementation plan to strengthen labor and human rights practices** within the Guatemalan palm oil industry
