ICB AG is ISO/IEC 17065:2012 accredited to certify in accordance with the Bio Suisse standards, with the exception of "social accountability" (Part 1, chapter 4). This certificate will only be valid for the same period as the organic certificate issued by the aforementioned inspection body and only for the duration of the contract of inspection with that same body. This document is the property of ICB AG. It can be reclaimed at any time should the Bio Suisse standards be violated. The certificate does not permit products to bear the protected Bio Suisse 'Bud' trademark, nor does it guarantee their trade in Switzerland. Bio Suisse restricts imports due to sustainability concerns and in order to protect Swiss production. ICB AG certificates will be put online at easy-cert.
